

THE POCHE DAILY RECORD

SATURDAY, - OCTOBER 5, 1872

LOCAL ITEMS.

Mr. JOHN CROFTLAND is the recognized Local Reporter of the RECORD.

PROSPECTS OF POCHE.—We can but congratulate our fellow citizens on the constant and rapid improvement that is daily being effected in Poché. On every side buildings are being erected and as speedily occupied. The demand for lumber is so great that the supply can scarcely keep pace with the demand. Our merchants are constantly receiving large supplies, but the steady demand soon causes depletion and necessitates immediate replenishment. The constant production of bullion from the mines has drawn the favorable attention of capitalists, which a visit and inspection will only serve to heighten and confirm. When strangers arrive they find a stirring, busy town, all the inhabitants of which are actively engaged in various occupations, all more or less profitable. They find a great number of miners, mechanics and laboring men steadily employed at remunerative wages, and last but not least, they find the source of all this prosperity in some of the best and most profitable mines on the Pacific coast. All this causes those who visit this locality for business purposes to receive a most favorable impression and to join in the declaration that no better field for investment exists over the Pacific slope than in the mines and business of Poché.

In all cases, of whatever nature, Dr. D. H. Whepley guarantees a sure cure. In cases of venereal diseases, piles of long standing, chronic diseases, etc., a cure is effected without the use of mercury. He cures piles in a short space of time. Consultation strictly confidential. Office at Mrs. Pyles's Lodging House—Room No. 5.

NEW HOTEL.—Isaac Heintzleman, formerly of the 21-mile House, has just fitted up a very commodious boarding house, with a well-stocked saloon attached. He maintains his good reputation in the new establishment. His house is just over the divide this side of the Bowery hoisting works, and those who chance to pass that way may rely upon receiving the best of fare and polite attention.

A CIRCULATING LIBRARY affords a cheap means of obtaining good reading matter, and at a trifling expense. C. Wiederhold furnishes novels and standard works for 25 cents. He also keeps on hand stationery, cigars, tobacco and smokers' materials. His establishment is on Main street, opposite Meadow Valley. sc8

SPEEDY INTELLIGENCE.—Competition is the soul of business and the establishment of two lines of telegraph to Poché will enable our citizens to receive and dispatch telegrams without the vexatious delay which so frequently renders such messages useless. As an instance of speedy work we will mention that Mr. Cavillier yesterday received the San Francisco noon stock report only twenty minutes after the board adjourned.

ATTEND TO YOUR TEETH.—Don't wait until they ache and then in language of regret say you would give most anything to save them. Go at once to Dr. Nichols, Main street, and avoid sleepless nights. Save your stock of patience and, what nature intended, your teeth. sc8

REPUBLICAN PRIMARIES.—To-day the Republican party will hold primary elections in the several precincts of the county for delegates to the convention of the party to be held in this city next Saturday. A spirited contest is expected for delegates—especially in view of the nomination for Sheriff, for which office W. S. Travis and E. Hamilton are the prominent aspirants. Voting will begin at 9 a. m., and close at 7 p. m.

CIRCULATING LIBRARY.—Folk & Levin on Main street have just received the latest and best publications at their extensive circulating library, and they offer it to the public at 25 cents per volume. Call and see them.

BULLION.—Yesterday the State Bank received two bars of bullion from the Magnet mill, the product of ore from the Chief of the Hill. The value of the bullion is \$3,178, of which \$78 is gold. During the last ten days this mine has yielded about \$10,101.73.

At Burrage's Drug Store, Main street, directly opposite Lacour street, is the largest and best assortment of pure drugs and patent medicines; also perfumery, fancy goods, paints, oils, turpentine, lamp chimneys, etc. c2-1m

A HEARING of the case of Frank Soule, on a writ of habeas corpus, was had before Judge Fuller yesterday. After argument by counsel, the motion to admit to bail was denied by the Judge, and Soule was committed.

WILSON & SOLOMON, dealers in Stationery, Cigars and Tobacco, Folks & McAlpin's saloon, Meadow Valley street. Also a Circulating Library. sc24

The Democratic County Central Committee will meet at 7 o'clock this evening at the Recorder's office, Court House. It is particularly desirable that every member of the Committee should attend.

CUTTING & CO.'s California Canned Fruits, Jellies and Jams are far superior to all other brands. For sale by all first-class grocers.

RETURNED.—We are glad to welcome J. J. Halpin of the firm of Halpin & Co., on his return from a business trip to the West. Also Mr. J. J. Nagle the foreman of the Raymond & Ely mines.

STOCKS.—The afternoon report of the San Francisco Stock Board shows that Poché stocks are slightly improving from the low rates quoted a few days since.

We invite attention to the advertisement of the State Bank of Nevada, containing the officers of the institution and its general business programme.

CONGRATULATORY TELEGRAMS.—In addition to the telegraphic message sent over the Western Union line on the 2d, we append the following:

Poché, Nev., Oct. 3d, 1872.
To E. P. Peckham, President Stock Board, San Francisco, California:

The citizens of Poché salute their brethren of the western metropolis, and, with telegraphic communication completed and railroad connection in the near future, assure you that the mines of Eastern Nevada are rich and extensive and the rapid development of this mountain region gives promise of a bright and prosperous future for us, which will be materially aided by the co-operation of the moneyed interests of your city. Hoping that the present friendly relations existing between the residents of this mining centre and the business men of the metropolis may continue and grow stronger with the lapse of time,

We are, etc.,
A. L. Page, J. B. E. Cavallier, Frank Kenyon, B. F. Sides, Jas. W. Wright, F. A. Buck, H. I. Thornton, Pat. Holland, J. S. Pitzer, Wm. W. Bishop, Geo. M. Sabin, W. S. Travis, B. W. Field, P. C. Hyman, O. P. Sherwood, D. Corson, S. L. Wallace, John Henderson.

According to the Review there are two tickets to be voted for to-day for delegates to the Republican County Convention. Not being on the inside, we are unable to distinguish tother from which, but here are the names of the gentlemen to be voted for:

Wm. Snodgrass, E. A. White, M. D. Mitchell, G. A. Spraker, John Craig, Ph. Felsenthal, Capt. Frank Cook, F. A. Campbell, George Scammon, A. A. Young, E. F. Morton, Frank Wright, Joseph Opie, F. H. Kline, J. R. Hoag, George Standart, Wm. Alperson, W. F. Metcalck.

Joseph Hoag, Frank Kenyon, George Miller, R. D. Benner, Wm. Albertson, S. Snodgrass, P. J. H. Schmidt, A. Johnson, Joseph Opie, A. M. Polley, S. H. Nichols, W. W. Bishop, S. Higgins, John Chivley, George Latty, W. Gorman, W. Clancy, Russ, Scott.

COL. CARTER.—Among the arrivals by Wednesday's Salt Lake stage we were pleased to meet Col. Carter of Salt Lake City. Col. Carter came here for the purpose of constructing the Poché and Bullionville Railroad. He is a man of considerable experience in building railroads, having completed a contract on the C. P. R. R. to the extent of 153 miles, which proved satisfactory to Gov. Stanford and his associates.

BZZZZZ.—To-day the Republican primary election takes place. This and the near approach of the County Conventions of both parties renders buzzing electors and delegates more especially, in order. A friend the other day dryly remarked that "he thought both parties were experiencing a sad want of candidates and that in Poché the offices would have to be diligently seek the men to fill them."

REGISTRATION.—We are glad to see that the citizens are taking a proper interest in the matter of registration. Last evening we found a crowd at the office of the Registry Agent, Main street, attending to their duty in this respect. The Agent will be at the Court House during the day and over Pierion's Saloon each evening from 7 to 10. It is hoped every citizen will have his name registered.

RAFFLE.—A raffle is announced to come off at McCluskey's saloon at an early day. The prize is one of Jacob's quarter second and second, lever escapement, 25-ruby jewelled compensated balance watches, valued at \$400. Eighty chances at \$5 each. Tickets may be obtained at McCluskey's.

R. B. Ross, late Superintendent of the Chief of the Hill mine, arrived yesterday by the Salt Lake stage. He was accompanied by his wife.

GONE.—Our friend P. L. Shoaff left by the Salt Lake stage yesterday, and will be absent several days.

PETER ANDERSON, a native of Copenhagen, Denmark, was admitted to citizenship yesterday.

GOLD MOUNTAIN.—Mr. John Frost, who recently returned from this district, brings some interesting news concerning it. Nearly all the ledges are gold bearing and give promise of being very extensive. One specimen which he brought in is very rich in free gold. It weighs about 90 pounds and is estimated to be worth fully \$600. It is from the ledges of a ledge which is 3 feet thick and well defined. It is a beautiful specimen, bespangled with free gold, and is full of the precious metal. It can be seen at Triplet & Clark's saloon.—Reese River Revelle.

The Meeting of St. John Lodge, U. D. F. and A. M., called for the 5th inst., has been postponed to MONDAY the 7th.

All brethren in good standing are respectfully invited to attend.
